The Evolution of American Urban Design: A Chronological Anthology

David Gosling

The Evolution of American Urban Design: A Chronological Anthology David Gosling

This is the first time an overview of the theories and practice of urban design has been offered. Covering a 50-year span, the book seeks to identify built urban design projects and traces the evolution and separation of American urban design theories up to the end of the twentieth century. It includes contemporary designs, projects, and writings in an attempt to identify future directions of the next century.
