The Idyll of the White Lotus Mabel Collins

The Idyll of the White Lotus is a story told in all ages, and among every people. It is the tragedy of the soul. Attracted by desire, it stoops to sin; brought to itself by suffering, it turns for help to the redeeming spirit within and in the final sacrifice achieves its apotheosis and sheds a blessing on mankind. It is a story of initiation written in tender and beautiful language, and bears on its face the stamp of verdicity in simplicity and dignity. Behold I stood alone, one among many, an isolated individual in the midst of a united crowd. And I was alone, because, among all the men my brethren who knew, I alone was the man who both knew and taught. I taught the believers at the gate, and was driven to do this by the power that dwelleth in the sanctuary. I had no escape, for in that deep darkness of the most sacred shrine, I beheld the light of the inner life, and was driven to reveal it, and by it was I upheld and made strong. For indeed, although I died, it took ten priests of the temple to accomplish my death, and even then they but ignorantly thought themselves powerful. Mabel Collins was a writer of popular occult novels, a fashion writer and an anti-vivisection campaigner. She was a theosophist and author of over 46 books.
