You Take It From Here Pamela Ribon

Just because you'd give your best friend everything doesn't mean she has to take it.

On the heels of a divorce, all Danielle Meyers wants is her annual vacation with sassy, life-long best friend, Smidge—complete with umbrella cocktails by an infinity pool—but instead she's hit with the curveball of a lifetime. Smidge takes Danielle to the middle of nowhere to reveal a diagnosis of terminal cancer, followed by an unusual request: *"After I'm gone, I want you to finish the job. Marry my husband. Raise my daughter. I'm gonna teach you to how to be Smidge 2.0."*

As Danielle wrestles with this major life decision, she finds herself torn between being true to her best friend's wishes and being honest with herself. Parenting issues aside, Smidge's small-town Louisiana world is exactly the one Danielle made sure to escape. Danielle isn't one for playing the social butterfly, or being the center of attention. And when your best friend tries to set you up on a date night with her husband, it might be time to become the bossy one for a change.

In the spirit of *Beaches* and *Steel Magnolias*, *You Take It from Here* is an honest, hilarious, and heartbreaking novel that ultimately asks: How much should we sacrifice for the ones we love the most?
