Bridget Jones's Diary Helen Fielding

The #1 national bestseller by Helen Fielding, author of the new novel *Bridget Jones: Mad About the Boy* (October 2013)

Bridget Jones's Diary is the devastatingly self-aware, laugh-out-loud account of a year in the life of a thirty-something Singleton on a permanent doomed quest for self-improvement. Caught between the joys of Singleton fun, and the fear of dying alone and being found three weeks later half eaten by an Alsatian; tortured by Smug Married friends asking, "How's your love life?" with lascivious, yet patronizing leers, Bridget resolves to: reduce the circumference of each thigh by 1.5 inches, visit the gym three times a week not just to buy a sandwich, form a functional relationship with a responsible adult and learn to program the VCR. With a blend of flighty charm, existential gloom, and endearing self-deprecation, *Bridget Jones's Diary* has touched a raw nerve with millions of readers the world round. Read it and laugh—before you cry, "Bridget Jones is me!"

From reader reviews:

Jeffrey Lockwood:

This Bridget Jones's Diary book is not ordinary book, you have it then the world is in your hands. The benefit you obtain by reading this book is information inside this reserve incredible fresh, you will get info which is getting deeper an individual read a lot of information you will get. This particular Bridget Jones's Diary without we realize teach the one who studying it become critical in contemplating and analyzing. Don't possibly be worry Bridget Jones's Diary can bring once you are and not make your case space or bookshelves' come to be full because you can have it in your lovely laptop even cellphone. This Bridget Jones's Diary having excellent arrangement in word along with layout, so you will not experience uninterested in reading.

Joshua Parsons:

Do you among people who can't read enjoyable if the sentence chained inside straightway, hold on guys that aren't like that. This Bridget Jones's Diary book is readable through you who hate the perfect word style. You will find the info here are arrange for enjoyable examining experience without leaving actually decrease the knowledge that want to provide to you. The writer involving Bridget Jones's Diary content conveys thinking easily to understand by most people. The printed and e-book are not different in the content material but it just different such as it. So , do you continue to thinking Bridget Jones's Diary is not loveable to be your top record reading book?

Lester Magno:

Why? Because this Bridget Jones's Diary is an unordinary book that the inside of the publication waiting for you to snap that but latter it will distress you with the secret it inside. Reading this book next to it was fantastic author who else write the book in such wonderful way makes the content within easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This unique book will give you a lot of positive aspects than the other book get such as help improving your skill and your critical thinking method. So , still want to postpone having that book? If I have been you I will go to the book store hurriedly.

Etsuko Siler:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Bridget Jones's Diary can make you sense more interested to read.
