## **Conflict and a Christian Life** Sam Portaro

From the earliest days of recorded history, conflict has been an integral part of human life. Although conflict and crisis are painful, they are visible and vital signs of the perpetual work of the church and society. Viewed in this light, they become sources of growth and gifts to be pressed into service.

The trouble with Jesus was?and is?that he stands in the midst of conflict, and allows the conflict actually to live in him even though it tears him apart, in order that new life might be born. The trouble with Jesus was?and is?that he invites us to follow where he has led.

Newly revised and expanded, this book is not a how-to manual for problem-solving, but a hopeful and creative reflection on the positive aspects of conflict in our relationships and institutions, as demonstrated throughout scripture in the life and ministry of Jesus, the early church, the church today, and within ourselves. For those willing to embrace conflict and the work that it requires, the result is a celebration of the community that God has given us.

Conflict is frightening. It threatens our sense of control and upsets our notions of order. It touches our vulnerability and reveals uncomfortable realities. Therefore, we tend to deny conflict, or we try to manage it, tame it. In fantasies of ultimate control, we banish conflict altogether. . . .

But the ways of God in the real and quite tangible world in which I live are obviously not the same as my ways. In this world, I am rarely in agreement with others and God obviously tolerates much more untidiness than I find comfortable. This conflict, which is with me every hour and becomes quite apparent hundreds of times a day, arouses fear within me. I want to be in control, and yet I cannot be in control.

#### **Dianna Chrisman:**

As we know that book is vital thing to add our know-how for everything. By a e-book we can know everything you want. A book is a group of written, printed, illustrated or maybe blank sheet. Every year seemed to be exactly added. This book Conflict and a Christian Life was filled regarding science. Spend your spare time to add your knowledge about your research competence. Some people has different feel when they reading a new book. If you know how big selling point of a book, you can really feel enjoy to read a book. In the modern era like at this point, many ways to get book that you wanted.

#### **Allen Yopp:**

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just small students that has reading's internal or real their hobby. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Conflict and a Christian Life can make you feel more interested to read.
