## Don't Cry Wolf Clair M. Poulson

An officer never knows what he might face when he first arrives at an accident. When Deputy Sergeant Matthew Prescott gets the call directing him to a serious crash on U.S. 191, he drives as fast as he dares. As he approaches the twisted, mangled remains of the vehicle, he doubts there could be any survivors in that wreckage. Somebody's life would be ruined tonight.

He just never thought it would be his.

Overwhelmed by the memory of losing part of his family that night, Matthew decides to take the sheriff's offer to become a detective instead of a patrol supervisor. Maybe not being on-site at car accidents would dull his pain.

A year later, wolves are starting to drift from neighboring Yellowstone Park to Montana ranches and are preying on calves, and a group of activists is passionate about saving the wolves from getting shot by ranchers. But that passion turns to violence with the murder of a rancher who shoots a wolf in order to protect his livestock. Now it's up to Matthew to find out exactly who is behind the escalating violence.

Filled with unmatched suspense and unlikely romance, best-selling author Clair M. Poulson's *Don't Cry Wolf* is more than worth the read.
