Flee, Fly, Flown Janet Hepburn

When Lillian and Audrey hatch a plot to escape from Tranquil Meadows Nursing Home, “borrow” a car, and spend their hastily planned vacation time driving to destinations west, they aren’t fully aware of the challenges they will face. All they know is that the warm days of August call to them, and the need to escape the daily routines and humiliations of nursing home life has become overwhelming. But their trip is almost over before it begins, until they meet up with the unsuspecting Rayne, a young hitchhiker. As Lillian and Audrey try to take back the control that time and dementia has taken from them, Rayne realizes the truth of their situation. But it’s too late – he has fallen under the spell of these two funny, brave women and is willing to be a part of their adventure, wherever it leads them.
