How to Be Human: Diary of an Autistic Girl

With powerful words and pictures Florida Frenz chronicles her journey figuring out how to read facial expressions, how to make friends, how to juggle all the social cues that make school feel like a complicated maze. Diagnosed with autism as a two-year-old, Florida is now an articulate 15-year-old whose explorations into how kids make friends, what popularity means, how to handle peer pressure will resonate with any pre-teen. For those wondering what it's like inside an autistic child's head, Florida's book provides amazing insight and understanding. Reading how she learns how to be human makes us all feel a little less alien.
