## **Mayday!: Asking for Help in Times of Need** M. Nora Klaver

Mayday! Asking for Help in Times of Need shows how to make the intimidating but potentially rewarding process of asking for help far less daunting. Using an inviting conversational style sprinkled with humor and personal stories, M. Nora Klaver first delves deeply into the social and psychological factors that keep us in isolation and then lays out a straightforward process for cultivating a mindset that will accept and invite help at home and at work. Using exercises and examples, she explains how to figure out what to ask for, whom to ask, how to ask, and when and where to ask.

Besides making our lives easier, Klaver shows that asking others for help can be an emotionally and spiritually enriching experience, one that, surprisingly, will end up making us feel more confident and will strengthen our relationships. Drawn from her twenty years of experience as both a personal and a Fortune 100 executive coach, Mayday! is the first book to fully integrate the body, mind, and emotions in a truly effective step-by-step approach to getting the help we need.
