Want Not Jonathan Miles

A *New York Times* Notable Book

“A wonderful book, and there’s no one I would not urge to read it . . . This is the work of a fluid, confident and profoundly talented writer who gets more fluid, more confident and seemingly more talented even within the book itself.” —Dave Eggers, *New York Times Book Review*

A highly inventive and corrosively funny story of our times, *Want Not* exposes three different worlds in various states of disrepair—a young freegan couple living off the grid in New York City; a once-prominent linguist, sacked at midlife by the dissolution of his marriage and his father’s losing battle with Alzheimer’s; and a self-made debt-collecting magnate, whose brute talent for squeezing money out of unlikely places has yielded him a royal existence, trophy wife included.

Want and desire propel these characters forward toward something, anything, more, until their worlds collide, briefly, randomly, yet irrevocably, in a shattering ending that will haunt readers long after the last page is turned.

“Shrewd, funny, and sometimes devastating . . . What *Want Not* does best, though, isn’t plotting but portraits of humanity: the small epiphanies and private hurts of every person whose life, like the detritus they produce, is as beautifully mundane and unique as a fingerprint.” —*Entertainment Weekly*

“An impassioned work of fiction.” —*Dallas Morning News*

From reader reviews:

Gale Taylor:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to learn everything in the world. Each guide has different aim or maybe goal; it means that book has different type. Some people sense enjoy to spend their time to read a book. These are reading whatever they take because their hobby is actually reading a book. What about the person who don't like reading through a book? Sometime, man feel need book if they found difficult problem or exercise. Well, probably you will require this Want Not.

Mary Jones:

As people who live in the modest era should be update about what going on or details even knowledge to make these individuals keep up with the era that is certainly always change and progress. Some of you maybe will probably update themselves by reading through books. It is a good choice to suit your needs but the problems coming to you is you don't know which you should start with. This Want Not is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

Elijah McWhorter:

Want Not can be one of your nice books that are good idea. Most of us recommend that straight away because this guide has good vocabulary that can increase your knowledge in terminology, easy to understand, bit entertaining but delivering the information. The article writer giving his/her effort to put every word into satisfaction arrangement in writing Want Not yet doesn't forget the main position, giving the reader the hottest in addition to based confirm resource info that maybe you can be one among it. This great information may drawn you into brand new stage of crucial imagining.

Sam Nielsen:

A lot of book has printed but it differs from the others. You can get it by net on social media. You can choose the most beneficial book for you, science, comic, novel, or whatever by means of searching from it. It is referred to as of book Want Not. Contain your knowledge by it. Without departing the printed book, it could add your knowledge and make you happier to read. It is most important that, you must aware about e-book. It can bring you from one destination for a other place.
