From the Dee Estuary to the Bristol Channel, the Welsh coastline in all its varied guises provides a fantastic playground for the sea kayaker. The fifty journeys selected cover all of the interesting parts of the coast and provide easy sheltered paddles, testing offshore trips for the adventurous and everything in between.

Illustrated with superb colour photographs and useful maps throughout, this book is a practical guide to help you select and plan trips. It will provide inspiration for future voyages and a souvenir of journeys undertaken. As well as providing essential information on where to start and finish, distances, times and tidal information, the book does much to stimulate and inform our interest in the environment we are passing through. It is full of facts and anecdotes about local history, geology, scenery, seabirds and sea mammals. It is a fascinating read and an inspirational book.
