Understanding your previous incarnations can turn into a fascinating journey of self-discovery and healing. You can gain insight into destructive habits that may have begun in a past life -- and then create a more positive and creative new life. In "Astrology and Your Past Lives" astrologer and regression therapist Jeanne Avery provides a simple yet profound way to understand one's blocks and blessings. By focusing on the meaning of one planet -- Saturn, the planet of limitations -- Avery shows how we "pick our own type of gravity" that connects this life to our previous incarnations. JEANNE AVERY was a world-renowned astrologer and regression therapist who lectured throughout the U.S., Europe, and South America. She was the author of six books on astrology and past-life regression, and she was a faculty member of the American Federation of Astrologers and a board member of the National Association for Transpersonal Psychology.
