Awakening to Community Rudolf Steiner

Rudolf Steiner presented these lectures right after the fire that destroyed the first Goetheanum. Given during the year before the Anthroposophical Society was reestablished, they form an important part of the history of the anthroposophic movement.

Steiner calls for a "searching of conscience." He explains that in anthroposophic communities we can experience our first awakening to the spirit in our encounters with others, and he describes how the reversed cultus" forms the foundation for a new community life. <

Translated from shorthand reports unrevised by the lecturer, from the German edition titled *Anthroposophische Gemeinschaftsbildung* (GA 257)
