Flash and Dazzle (The Hearts of Men Book 6) Lou Aronica

The extraordinary tearjerker about best friends.

What happens when everything you thought was true changes all at once? What happens when each relationship that means anything to you suddenly becomes far more real than you ever thought it would be? What happens when every moment becomes invaluable as all of them pass far too quickly?

FLASH AND DAZZLE is the story of two friends who have known the best of times who develop a true taste for life during the worst of times. It is the story of the friends and lovers who enter their orbit, some for a long time and some only for a moment. It is the story of legacies, burdens, and the kinds of secrets that are only revealed when there's nothing left to tell.

It is a funny, moving, deeply honest novel that will inspire you to call everyone you care about and thank everyone you know for what they've given you.

“Lou Aronica is a master storyteller and reaches right in and touches one's heart with the humanness of his characters. He stirs emotions and senses that bring tears and laughter....

FLASH AND DAZZLE is a poignant story that lingers in the memory.”

– Long and Short Reviews

“A dynamic contemporary novel that readers will for sure find fully engaging and worthwhile reading. Lou Aronica is a talented writer who uses subtlety rather than explicit description to depict the normalcy, quirkiness and fluctuations of honest characters. Terrific writing and reading!”

– Crystal Book Reviews

“Lou Aronica masterfully crafted this emotional story. The characters Rich Flaster and Eric Dazman are so real, the reader will feel like they are part of the duo's close knit friends.”

– Literarily Illumined
