## **Drawing and Painting the Clothed Figure** Kathy Barker

The clothed figure is a fascinating subject for beginner and experienced artist alike. While the human body offers a physical and psychological point of interest, the clad figure gives even further scope with which to tell a story. Working from the naked body through to the draped and attired model, this book focuses uniquely on the figure and cloth while addressing the practicalities of using various drawing and painting techniques to transfer what you see onto the two-dimensional surface.
