Glenn Gould: Remix

Peter Goddard

Glenn Gould: Remix Peter Goddard

A startling new portrait of Gould, published in co-operation with the Gould estate.

Considered one of the most influential musicians and cultural figures of his time, Glenn Gould remains a fascinating figure. In the first book to be published in co-operation with Gould's estate, Peter Goddard draws on Gould's unpublished writings, interviews, and never-before-seen photographs to present a startling new portrait of Gould, the man and the musician.

Drawing on never-before-seen material, it presents a deep and nuanced study of Gould's life with unmatched candour and clarity. Inside is a love letter Gould wrote but never sent (he later revised it again and again); the text of a speech that Gould gave to a group of children about life and childhood; and portions of *Glenn Gould: Hysterical Return*, a never-before-seen radio script in which Gould imagines his return to the concert stage and all it would have entailed.

All of this and more makes *Glenn Gould: Remix* the perfect gift for the Gould fan, or for anyone interested in Canadian music.

Stacey Greene:

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Glenn Gould: Remix can make you experience more interested to read.

Mary Otter:

Some people said that they feel bored when they reading a publication. They are directly felt this when they get a half parts of the book. You can choose the book Glenn Gould: Remix to make your personal reading is interesting. Your own personal skill of reading ability is developing when you just like reading. Try to choose easy book to make you enjoy to read it and mingle the opinion about book and looking at especially. It is to be initially opinion for you to like to start a book and learn it. Beside that the publication Glenn Gould: Remix can to be your brand new friend when you're really feel alone and confuse with what must you're doing of that time.
