Rebel Bookseller: Why Indie Bookstores Represent Everything You Want to Fight for from Free Speech to Buying Local to Building Communities Andrew Laties

The revival of independent bookselling has already begun and is one of the amazing stories of our times. Bookseller Andy Laties wrote the first edition of *Rebel Bookseller* six years ago, hoping it would spark a movement. Now, with this second edition, Laties's book can be a rallying cry for everyone who wants to better understand how the rise of the big bookstore chains led irrevocably to their decline, and how even in the face of electronic readers from three of America's largest and most successful companies—Apple, Amazon, and Google—the movement to support locally owned independent stores, especially bookstores, is on the rise. From the mid-1980s to the present, Andy Laties has been an independent bookseller, starting out in Chicago, teaching along the way at the American Booksellers Association, and finally running the bookshop at the Eric Carle Museum in Amherst, Massachusetts. His innovations were adapted by Barnes & Noble, Zany Brainy, and scores of independent stores. In *Rebel Bookseller*, Laties tells how he got started, how he kept going, and why he believes independent bookselling has a great future. He alternates his narrative with short anecdotes, interludes between the chapters that give his credo as a bookseller. Along the way, he explains the growth of the chains, and throws in a treasure trove of tips for anyone who is considering opening up a bookstore. *Rebel Bookseller* is a must read for those in the book biz, a testament to the ingeniousness of one man's story of making a life out of his passionate commitment to books and bookselling.

All type of book are you able to see on many methods. You can look for the internet sources or other social media.

Cesar Smith:

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Rebel Bookseller: Why Indie Bookstores Represent Everything You Want to Fight for from Free Speech to Buying Local to Building Communities can make you sense more interested to read.

James Furlow:

Reading a book make you to get more knowledge from that. You can take knowledge and information coming from a book. Book is written or printed or descriptive from each source this filled update of news. In this modern era like right now, many ways to get information are available for a person. From media social just like newspaper, magazines, science book, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book.
