## The Message: SOLO Women's Devotional

Written for women on the go, by women on the go, this devotional offers 180 readings that revolve around real heart issues. Carefully selected passages from *The Message*, Eugene H. Peterson's contemporary Bible translation, are paired with contemplative devotions that use the *lectio divina* method of study. This classic approach allows you to truly experience God's Word by reading, thinking about, praying through, and living out Scripture. To track your daily journey with God, many of the devotions include journaling space allowing readers to interact and respond to what they have read.
