**Frammenti di follia (OMBRE E MISTERI) (Italian Edition)** Nicola Rocca

Frammenti di follia è una raccolta di racconti con storie, luoghi, vicissitudini e personaggi diversi fra loro, ma tutti aventi un unico punto in comune: la follia.

Ognuno di questi narra di avvenimenti che possono capitare a chiunque, in una qualsiasi giornata dell'anno, ma ad un certo punto, in ciascuna vicenda si innesca uno strano meccanismo che depista quello che dovrebbe essere il normale svolgimento dei fatti, dando modo alla follia di prendere il sopravvento su tutto e tutti, al punto tale da rendere il folle l'unico elemento "normale" dell'intero evento.

Perché la follia è così: infame, sleale, fasulla; si lascia influenzare da diversi fattori come ad esempio il periodo storico, la cultura, un banale punto di vista...

È possibile quindi che sia considerato folle qualcosa o qualcuno che tempo prima veniva considerato normale, e viceversa.

Frammenti di follia è una spirale di vortici, un labirinto senza uscite, una scatola buia e piena di insidie, dove non vi potrete fidare di nessuno, nemmeno del vostro migliore amico. I continui ribaltamenti di ruolo da parte dei personaggi vi manderanno in confusione, rendendo impossibile la distinzione tra il bene e il male, tra il buono e il cattivo, tra la cosa giusta e quella sbagliata, tra la follia e la normalità.

Perché in ognuno di questi frammenti, alla fine, niente è mai come sembra. Sempre.
