Frankenstein (Knickerbocker Classics) Mary Shelley

Mary Shelley's classic *Frankenstein* pioneered the deeply explored battle between monster and man. Follow three narratives in this ageless tale that navigates fear, fixation, love and desire, while finding an anchor in humanity. The combination of fantastical elements and scientific exploration makes this Mary Shelley novel one of the first true models of science fiction. This new edition of *Frankenstein* stays true to the classic origins, but is provided with a whole new life by a smaller, portable format.
