Camp Rock's second session is coming to a close. Actually, it has already officially ended, but there are a few campers remaining a day or two after everyone else has left. Some are there because schedules have dictated it. (Tess Tyler's mom isn't back from her world tour yet, Caitlyn's parent's are going to pick her up in the RV they've been driving across country all summer.) Others are helping get everything boxed up and put away. (Mitchie is helping her mother, while Shane is helping his uncle.) The end result is that Camp Rock is a pseudo ghost town.
