**Ten Little Eggs** Jean Marzollo

10 little eggs in a world so fine . . .  
One became a red bird and then there were nine.

9 little eggs, one couldn't wait . . .  
One became a yellow bird,  
and then there were eight.

Count down as the ten little eggs  
disappear one by one  
and become ten beautiful birds.

### From reader reviews:

#### **Rebecca Morales:**

People live in this new day time of lifestyle always aim to and must have the free time or they will get wide range of stress from both day to day life and work. So , when we ask do people have extra time, we will say absolutely yes. People is human not only a robot. Then we question again, what kind of activity do you have when the spare time coming to an individual of course your answer can unlimited right. Then do you try this one, reading textbooks. It can be your alternative within spending your spare time, typically the book you have read is definitely Ten Little Eggs.

#### **Graham Ayala:**

Playing with family in a park, coming to see the coastal world or hanging out with pals is thing that usually you will have done when you have spare time, and then why you don't try issue that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Ten Little Eggs, you are able to enjoy both. It is good combination right, you still desire to miss it? What kind of hang-out type is it? Oh come on its mind hangout men. What? Still don't understand it, oh come on its named reading friends.

#### **Nicole Montes:**

This Ten Little Eggs is great book for you because the content that is full of information for you who always deal with world and get to make decision every minute. That book reveal it info accurately using great organize word or we can state no rambling sentences included. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but tough core information with wonderful delivering sentences. Having Ten Little Eggs in your hand like getting the world in your arm, facts in it is not ridiculous 1. We can say that no publication that offer you world in ten or fifteen tiny right but this book already do that. So , this is good reading book. Hello Mr. and Mrs. stressful do you still doubt that will?

#### **Beverly Woods:**

Reading a guide make you to get more knowledge from this. You can take knowledge and information from your book. Book is published or printed or created from each source which filled update of news. On this modern era like now, many ways to get information are available for anyone. From media social similar to newspaper, magazines, science book, encyclopedia, reference book, book and comic. You can add your understanding by that book. Isn't it time to spend your spare time to open your book? Or just seeking the Ten Little Eggs when you essential it?
